SIR,

Solicits sanction of Government for collection of subscriptions for the construction and maintenance of a Town Hall at Mandya.

In forwarding herewith the records received with letter No. C 22/30-31 dated 12th April 1931 from the Sub Division Officer, Mandya Sub Division regarding the above subject, I have the honour to state as follows.-

It is reported by the Sub Division Officer that Mandya is a place growing in importance on account of the advent of the Irwin Canal and that many offices have been located there in that connection with the result that the number of educated classes has considerably increased. But at present the lack of a place of recreation has hampered the advancement of social and civic life. To meet this want, the Sub Division Officer has formed a Committee of whom 24 are non-officials (as in the enclosed list) with a view to raise subscriptions towards the construction etc., of a Town Hall. A working Committee consisting of 9 members has been formed, of which three are Government Officers viz., Sub Division Officer, Mandya (Chairman) Executive Engineer, Irvin Canal and Project Division and Amildar, Mandya Taluk. The Committee meets at intervals and is conducting business. Copies of the proceedings of the meeting are herein enclosed for favour of perusal.

I agree with the Sub Division Officer and request that sanction of Government may kindly be obtained for the formation of the

Sir,

I have the honor to state that Mandya is a place growing in importance day by day and is likely to become the the Head-Quarters of the Irrigation District. Further on account of the advent of the - Irwin Canal many offices have been located with the result the number of the educated classes have considerably increased. But at present - ~~the journey~~ this growing town has not got a place of recreation,which has greatly handi-caped the advancement of Social and Civic life at - Mandya. With a view to overcome this want, I have in consultation with the then Deputy Commissioner formed a committee ~~consisting~~ of whom - ~~25.~~ 24 are non-officials, with a view to raise subscriptions etc towards constructing a Town-hall and thus create means for Social advancement. The Committee meets at intervals and is conducting business. The copy of the proceedings drawn up in the meeting are being communicated to the Deputy Commissioner also.

Now I see from a reference to the Revenue Manual Part I para 90 that G.O. No L.R.478-16-7 dated 12th October 1917 the sanction of Government is necessary before such a thing is undertaken. Hence I request that - ~~the~~ Government may kindly be addressed in the matter and necessary - sanction may kindly be obtained in the matter.

With reference to your letter No.L.9893/111.36-30-130 dated 15th June 1931 in the matter of giving permission to the Sub Division Officer and Amildar, Mandya to collect subscriptions for the construction of a Town Hall at Mandya, I have the honour to state that the want is no doubt real and any effort made to have a building constructed deserves encouragement. But in view of the present economic conditions and the representations by the people in regard to the attitude of the Revenue Officers in the matter of collection etc , it is better if the Revenue Officers are advised not to take an active part in collecting subscriptions Besides Mandya is a Town of some importance with some non-official leaders and it is better they do the collection work.

I have the honour to be,
